

## Technology Training for Students

### Training on Demand

- Free overview sessions are provided to students during class time upon request by faculty and instructors.

### lyndaCampus online tutorial library

- Choose from hundreds of technology tutorials to suggest or assign to students as supplemental learning resources.

### Tech Tutors

- Tech Tutors hold “office” hours in Pollock lab and Knowledge Commons to help students use technologies to complete academic assignments.

### iStudy learning modules

- iStudy online modules are designed to advance students’ knowledge and skills in areas that can promote overall academic achievement, such as studying, communicating, and career planning.

### Need more info?

- Call ITS Training Services at 814-863-9522 or email [itstraining@psu.edu](mailto:itstraining@psu.edu) with questions.

This publication is available in alternative media on request.

Penn State is committed to affirmative action, equal opportunity, and the diversity of its workforce. U.Ed. ITS13-7005
