

Tech Training for Students in Your Classes

If you'd like to have a professional technology trainer provide an overview of a software tool for students in your class, visit the Training on Demand section of the ITS Training Services website, where you'll find all the information needed to coordinate a free technology overview on e-Portfolios, blogs, Photoshop, Dreamweaver, PowerPoint, ANGEL, InDesign, and many more topics.

Stay up-to-date electronically

Help us go green by joining the e-mail list to learn about upcoming sessions on technologies for teaching. Subscribers will receive one note each month (if applicable) listing the opportunities for faculty and instructors to learn about a variety of technologies related to teaching, including ANGEL and Adobe Connect, as well as relevant conferences and events, such as the Symposium for Teaching and Learning with Technology. To join, send a blank e-mail to
